CERTIFICATION UNDER SECTION 1151 OF THE  
AMERICAN RECOVERY AND REINVESTMENT ACT

1. I, Mark Parkinson, Governor of the State of Kansas, hereby certify that the infrastructure investments of public institutions of higher education listed below and funded with amounts appropriated by the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009) ("ARRA"), Title XIV under the heading State Fiscal Stabilization Fund administered by the United States Department of Education have received the full review and vetting required by law and that I accept responsibility that such investments are an appropriate use of taxpayer dollars.
2. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the Kansas website, and is available to the public at <http://www.governor.ks.gov/recovery/> and is linked to [recovery.gov](http://recovery.gov).
3. I am executing this Certification in accordance with Title XV, Subtitle A, Section 1511 of the ARRA. I understand that the State of Kansas may not receive ARRA infrastructure investment funding unless this Certification is made and posted.

This is the 17<sup>th</sup> day of February, 2010.

A handwritten signature in black ink, appearing to read "Mark Parkinson", written over a horizontal line.

Mark Parkinson  
Governor

With regard to the public institutions of higher education in Kansas with independent governing boards (community and technical colleges and Washburn University), infrastructure investment projects were approved by their independent governing boards and each institution's CEO signed an assurances document titled "Education Stabilization Fund Award Conditions on Receipt of and Use of Awarded Moneys" (signed documents are on file at the Kansas Board of Regents office). These projects were reported to the Kansas Board of Regents as of February 17, 2010.

The table below lists the public institution of higher education, a description of the investment, the estimated total cost of the investment, and the amount of ARRA funds to be used in State Fiscal Years 2009-2010 for the investment.

**Kansas Board of Regents**  
**State Fiscal Stabilization Fund Education Stabilization Fund Infrastructure Projects**  
**Pursuant to Title XV, Subtitle A, Section 1511**  
**American Recovery and Reinvestment Act of 2009**

An infrastructure investment is financial support for a physical asset or structure needed for the operation of a larger enterprise. Therefore, infrastructure investments include support for tangible assets or structures such as roads, public buildings (including schools), mass transit systems, water and sewage systems, communication and utility systems and other assets or structures that provide a reliable flow of products and services essential to the defense and economic security of the United States, the smooth functioning of government at all levels, and society as a whole.

| Institution                      | Project Description  | Estimated<br>Total Project<br>Cost | Project<br>Estimated<br>ARRA/SFSF |
|----------------------------------|--|------------------------------------|-----------------------------------|
| <b>Community Colleges</b>        |  |                                    |                                   |
| Butler County Community College  | <b>100 Bldg Roof Replacement Project</b> – The project will consist of removal of existing roof which was installed in 1991 and will be replaced with a modified rolled roof with an insulation layer to provide increased energy efficiency. The air handlers will be removed from the roof and installed within the building envelop providing more protection from the weather which will increase the equipment's longevity. Insulating the roof will prevent year around energy loss. | \$140,000                          | \$115,000                         |
| Fort Scott Community College     | Cafeteria/Meeting Room Renovation, Repair and Improvements   | \$2,497                            | \$2,497                           |
| Highland Community College       | Remodel of Bldg "E" Atchison Campus-Drywall, Carpet, Plumbing  | \$18,000                           | \$18,000                          |
| Highland Community College       | Replace partial roof Perry Campus  | \$65,000                           | \$65,000                          |
| Highland Community College       | Student Union water leakage repair   | \$85,000                           | \$23,000                          |
| Highland Community College       | Repair/resurface one-way street, one block in length   | \$79,000                           | \$79,000                          |
| Highland Community College       | Student Services Office remodel  | \$8,000                            | \$8,000                           |
| Highland Community College       | Student Housing Parking lot resurface  | \$70,000                           | \$70,000                          |
| <b>Technical Colleges</b>        |  |                                    |                                   |
| Manhattan Area Technical College | Renovation and rehab of main restrooms (2); replace toilets, partitians, sinks, countertops, flooring and ceiling  | \$42,732                           | \$42,732                          |
| Manhattan Area Technical College | Modernization of dental hygiene building to include plumbing and electrical upgrades for sterilization room and radiation room.  | \$17,512                           | \$17,512                          |
